---

## Projects

**Northwestern University, Design Thinking and Communication Course**  
Client: Chicago Company, Chicago, IL Fall 2014

- Created a camera stand and brace for people with only one arm
- Presented final product to a panel of professors and graduate students
- Primarily responsibility for stand design and implementation
- Stand allowed a patron using one arm to easily transfer between a waist mounted and tripod mounted camera, while maintaining photo quality

**Cake Rack Bakery Website**, Dayton, OH  
Client: Cake Rack Bakery, Dayton, OH Spring 2014

- Developed a responsive and customizable website with 3 team members
- Site is fully editable from the administrative page
- Lead the work on page layout and design
- Project replaced a static webpage with a dynamic one that allowed online ordering

---

## Activities

### Northwestern Wrestling Team

- Starting heavyweight in 2015/16 and 2016/2017 seasons
- 2016 Northwestern Midlands 8th place finish

### Boy Scouts of America

- 2014 Eagle Scout

---
